Mr. Marc Levitt
Robert C. Byrd Center for Legislative Studies
P.O. Box 5000
Shepherdstown, WV 25443

Dear Marc,

This is in further response to your May 16, 2013 Mandatory Declassification Review request for the Tehran cable from your collection.

The Department of State reviewed the document and declassified it in full. Enclosed is the officially declassified record.

Thanks again for contacting us. Let me know if you find any other classified documents in your holdings and I'll be happy to handle the coordination for you.

Regards,

[Redacted signature]
