Friends of Robert C. Byrd PAC

Abstract:

The Friends of Robert C. Byrd PAC (Political Action Committee) Collection consists of records documenting the organization's support of campaigns and fundraising for Senator Robert C. Byrd between 1976 and 2006.

Scope and Content:

The Friends of Robert C. Byrd Political Action Committee (PAC) was involved primarily in raising funds for Senator Byrd for his campaigns. The PAC was originally founded to support Senator Byrd's Presidential Primary Campaign in 1976. This involved the planning of many events and adherence to the FEC's financial guidelines. The PAC was also involved with setting up various groups and foundations to support the Senator's vision and evolving mission.

The collection is comprised of five series: **Finances**, **Organization Files**, **Robert C. Byrd**, **Memorabilia**, and **Audio/Visual (AV)**.

The **Finances** series records detailing the PAC's monetary transactions. Itemized details of contributions and disbursements are listed in various categories.

The **Organization Files** series makes up the bulk of the collection and covers a wide range of subjects including: various by-laws, dealings with the FEC, correspondence, the planning of events, and different projects with which the committee was involved.

The **Robert C. Byrd** series contains non-correspondence records directly related to Senator Robert C. Byrd including short biographies and press clippings.

The **Memorabilia** series includes some campaign ephemera, pamphlets about Senator Byrd and West Virginia, and some jokes that were circulated among the committee.

The **Audio/Visual** series contains materials including photographs, audio recordings, and a CNN profile of Senator Byrd.
