Dear Ms. Wilson:

I have been notified that the Historic Shepherdstown Commission, Shepherdstown, West Virginia, has submitted an official grant application to your office under the Preservation Services Fund program to support the acquisition and renovation of the 1908 passenger railroad station in Shepherdstown.

I would, therefore, appreciate your making a note of my interest in this application and my hope that it will be afforded every appropriate consideration. I would also appreciate your providing me with a comprehensive status report about the application, including the dates of all significant reviews and of the award decision, as well as the name of the appropriate staff member whom one should contact if further questions arise.

Thank you in advance for your attention to this matter.

With kind regards, I am

Sincerely yours,

Robert C. Byrd
