Fundraiser Sponsorship

Event Description: On Saturday, July 31, 2021 at 6:00 pm, the Friends of the Byrd Center are sponsoring a lawn concert fundraiser with National Public Radio’s Mountain Stage artists Larry and Sandra Groce and Bob Thompson. The event will include a pig roast barbeque dinner and will be held on a private property outdoors (COVID-19 gathering/safety restrictions observed). More information is available at byrdcenter.org/mountain-stage.

Designation for Funds Raised: After covering expenses for the evening, all proceeds raised from ticket sales and sponsorships will fund the civics education initiatives of the Robert C. Byrd Center for Congressional History and Education, located on the campus of Shepherd University. A private, non-profit, non-partisan organization, the Byrd Center conducts an annual Teacher Institute providing training in civics for over 150 West Virginia educators, offers internships to Shepherd University students, and provides free public programs to the Shepherd campus and Shepherdstown community. More information may be found at www.byrdcenter.org/about-us.
